The Zion Lutheran Church Trust Fund anticipates awarding grants totaling over \$4,000 to a human service provider or ministry, at least one to an agency connected with the Evangelical Lutheran Church in America and at least one to a service agency with a Muscatine connection, as a part of our mission outreach program. In the past, we have not awarded any grants larger than \$500. However, we are open to responding to larger needs if a strong case is presented for the project. If you are interested in applying for one of these grants, please complete this form and return it to the above address by November 5, 2009.
