Could you be a voting member?

Would you be interested in being a voting member at the 2026 Southeast Iowa Synod Assembly this spring? Zion needs two voting members for the meetings that will be held in Cedar Rapids at 1st Lutheran Church Saturday-Sunday, May15-16 . Election of a synod bishop is one of the major items on the agenda this year. Our synod asks us to send two voting members--one male and one female. Zion will pay their registration fee and mileage. Commuting each day and carpooling, possibly with voting members from other congregations, is encouraged.

Might you be interested in attending? If so contact, Denise at the Zion office or contact Council President Jim Haage at (563) 264-5347 or (563) 260-2927.

Reminders:

Men's Bible Study meets every Wednesday morning at 6:30 a.m. at the All American Diner.

Christians Underground

We have an additional Bible study/discussion group opportunity in Muscatine called Christians Underground. Pastor Aleese Kenitzer from Shepherd of the Cross leads this group in discussion about the Revised Common Lectionary texts for the upcoming Sunday. They currently meet weekly on Wednesdays at 12:00 p.m. at Zion Lutheran church for about an hour. This invitation is open to all four ELCA congregations in Muscatine.

To all the people that donated to the giving tree! Thanks to your generosity several schools and non-profits received items.

THE KEEPER OF HIDDEN BOOKS by Madeline Martin

From the author of *The Last Bookshop in London*: While Nazi forces ravage Warsaw, a book club risks everything to protect banned books — by hiding them away in a crumbling library... Inspired by true events, this “richly detailed, emotional” USA Today bestseller “will captivate historical fiction lovers” (Chanel Cleeton).

Shining a Light on Disability Support

March is Developmental Disabilities Awareness Month, Brain Injury Awareness Month and Cerebral Palsy Awareness Month making it the perfect time to highlight LSI's services for individuals with disabilities.

LSI provide respite care for those caring for loved ones with mental and developmental disabilities along with 24 hour care, hourly options and host homes. In total LSI provided over 366,000 hours of services to those living with disabilities last year.

For families caring for a child or adult with disabilities, the demands of around-the-clock care can be overwhelming. That's where respite support makes a meaningful difference. Respite care offers caregivers a personalized break while ensuring their loved one continues to receive quality care. A trained respite provider can step in for a few hours or up to an entire weekend to support children and adults with disabilities. Services can be provided in the individual's home, the provider's home, or within the community.

As one parent put it, "Respite helped me step back and rethink things, breath and start over again with a better mind set! I truly believe that respite has changed my family and my life."

LSI's thorough matching process and ongoing oversight help ensure the success and quality of respite services. One of our respite providers, met her client and his family when they moved into a new neighborhood. This provider and client had an instant connection during this visit, and the provider knew that she wanted to provide respite services to him. The family worked with LSI, after being introduced to our respite program by the provider, to enroll the client in services. They started out with small amounts of time, and as the years went by, the amount of respite increased.

This provider has now been providing respite services to this client for over 10 years. Their relationship has continued to grow, and is stronger than ever, as the provider has supported both the client and his family.

This client has become a part of his provider's expended family, and sees her at least once a week. The client enjoys spending weekends once a month at his provider's home. This also allows the client's parents to have a scheduled break each month. One of this client's favorite activities during his weekends at his provider's home is to visit his provider's parents, and discuss the latest book that he has read with them.

"I became a respite provider because it offered me an opportunity to earn some extra income around my family's busy schedule. What I was not expecting was the learning opportunities that occurred for both my children and the respite children on our home. It has been an amazing experience to see the children grow. I love when I run into them out in the community and they come over and tell me everything they are now doing. Through respite care you are able to make a difference!"

Discernment Committee Update-Chelsea Harms

Good morning, friends of Zion!

Before we begin worship today, I'd like to take just a moment to speak from the heart and provide an update regarding the discernment committee.

As many of you know, we are in a season of transition here at Zion. Over the past months, we've welcomed several fill-in pastors who have faithfully stepped forward to lead us in worship, preaching, and pastoral care while we wait for what God is preparing next.

Change can be uncomfortable. Uncertainty can make us cautious. That's human. But as people of faith, we are also called to something deeper — to open hearts, open minds, and open arms.

Hospitality is not just something we do at the door; it is something we carry in our spirit. Each pastor who stands before us comes not as a stranger, but as a servant answering God's call to care for us in this moment. When we welcome them, we are welcoming the work God is doing among us.

I want to gently remind us all of the importance of creating a space where every pastor — permanent or fill-in — feels supported, respected, and embraced. A kind word, a smile, a willingness to listen, and a spirit of grace go a long way.

With the unknown ahead, I invite each of us to clear our minds of expectations and allow God the room to work — sometimes in ways we don't anticipate. God often speaks most clearly in seasons of waiting.

As a member of the discernment committee, I can assure you that prayer is deeply needed — for our congregation, for our future leadership, and especially for the pastors who are walking alongside us right now. They carry a sacred responsibility, and they need our encouragement as much as our prayers.

And finally, let us remember that we are not alone in this journey. Faith together — here in Muscatine — is not just one congregation, but all our Lutheran churches, united in Christ and bound together by love, patience, and trust in God's timing. May we move forward together with grace, humility, and hope.

Dear Friends,

The information boards in the Fellowship Hall have not been updated in several years. So, I have volunteered to refresh the boards with keeping the history while updating the current events sections.

The refreshed layout will contain the following information:

Youth

National Youth Conference – every 3 years, Fund Raisers (yard work, Trivia Night) Activities (bowling, pizza parties), Faith Family Night
Sunday School, Xmas Program
Communion, Confirmation and Bible Classes, Christian Day Camp, Scholarships

Committees

Social Ministry, Property/Building
Youth Memorial
Parish Education Trust
Council Altar Guild

Music

Senior Choir, Bell Choir
Orchestra, Other gifted musicians

Social Settings for Learning

Book Club, Men's Bible Study, (breakfast group)
Circles

Helping our Community

Sauerkraut Supper Garden of Eatin'
Emmus Café, Trust Grants

Other Boards

Historical documents, History of past Pastors
Confirmation Class photos, Church expansions through the years

If you have any of these types of photos, from 2025, please either email them to me at Rugbygirl_81@hotmail.com or bring the photos into the office and Denise will hold them for me. Please make sure that the photos you bring in is a copy, as the photo once placed on the board, might not make it back to you for some time. Make sure you have your name and contact information on the back of the photo so that it can be returned to you. Additionally, add the names, places and dates of those in the photo so that we can identify it when we place it on the board.

Once the boards are updated, we will try to stay on top of the information so that every year, old pictures can come down and new pictures can go up. So with the new year just beginning, get out your phones and start taking photos for our board.

Thank you for all your assistance.
